REMARKS

As best Applicant can understand Examiner's Communication,
Examiner requires that Applicant provide support for the
allowability of claims 14-15 and 25-26.

Since claims 14-15 depend from claim 13, Applicant did
provide support for claims 14-15 for the reason that he provided
support for parent claim 13.

With respect to claims 25-26, Applicant herewith provides
additional explanations and arguments.
